MEMORANDUM FOR THE RECORD

SUBJECT: Conveying Agency Position to OMB on S. 347

On 8 March 1989, in response to a referral from the Office of Management and Budget (OMB), I advised Sue Thau, Legislative Analyst, OMB, that the Agency had no objection to S. 347, the "Anti-terrorism and Arms Export Amendments Act of 1989". OMB believes the bill is coming to the Senate floor in the next few days. S. 347 is the 1989 Senate version of so-called "Berman-Hyde" anti-terrorism arms export control legislation. The Agency's concerns with respect to this legislation had been previously addressed and that is reflected in S. 347.
